Do you know how to keep your children safe in a 24-7, always connected digital society? Sometimes I feel like Chicken Little shouting: "The sky is falling," but then I turn on the news the next morning, and a chunk of the sky falls into my coffee. As your children travel through the digital world they are also going to experience its underbelly; a dark place filled with cyberbullying, sexting, and sexual predation. Most parents believe that they should discuss this issue of digital safety with their children around the time that puberty hits. This is completely incorrect. The discussion about digital safety needs to begin the very first time your child uses a tablet or a smartphone without mom or dad literally sitting right next to them. Children as young as 8 years old are regular consumers of pornography. Middle school students are going to prison as a result of felony sexting. Sexual predators...

Reviews

Definitely among the best book I have got possibly study. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.
